

POSITION ANNOUNCEMENT
REGISTERED NURSE

Interested in being part of a great team and organization dedicated to improving the quality of life for individuals with disabilities? Life Navigators is seeking to hire a Registered Nurse (RN) to join our service team. Life Navigators' mission is to improve the quality of life for individuals with developmental and related disabilities, their families and the greater community.

Working as part of the Family Care Team, the RN will be responsible for providing assessment, monitoring, health and wellness promotion, medical intervention and other community based services to individuals with disabilities living in the greater Milwaukee community.

Must be licensed to practice in Wisconsin, a bachelor's degree is preferred. One year experience in working with individuals with disabilities is required. Conversational Spanish skills a plus. Personal transportation and insurance required. Strong written and verbal communication skills; ability to promote programs and services a must. Please see attached job description for additional information.

Life Navigators offers a highly competitive and comprehensive salary and benefits package. Named a Best Place to Work by the Milwaukee Business Journal, we invite you to learn more about our flexible, positive culture. To apply for this position, please send or email a cover letter and resume to:

LIFE NAVIGATORS POSITION DESCRIPTION

TITLE : Registered Nurse – Family Care

REPORTS TO: Program Manager

POSITION CLASSIFICATION: Exempt

PRIMARY RESPONSIBILITIES:

1. Provide comprehensive assessment and evaluation services to individuals with disabilities and frail elders served under Life Navigators Care Management Unit as part of the Family Care Program.
2. Establish and monitor health and wellness for individuals (members) served under the program.
3. Provide medical intervention and coordination with medical providers as necessary to promote safety, independence and foster community integration for each member.
4. Perform routine health monitoring services to ensure the safety of members served.
5. Provide crisis intervention as needed and coordination services with other health, behavioral and medical providers.
6. Participate as an active member of the Interdisciplinary Team delivering services.
7. Engage in ongoing educational and certification opportunities in accordance with agency funding sources and for agency purposes.
8. Monitor caseload and prepare written reports, correspondence and program documentation for agency purposes and for funding sources.
9. Represent the interests of Life Navigators and people with disabilities in various community wide committee and coalitions. Provide information and assistance services to consumers, families, professionals and the community.
10. Administer policies and procedures effectively and perform related duties as required or delegated by supervisor.

QUALIFICATIONS:

1. Valid Wisconsin RN license, bachelor's degree in nursing preferred.
2. One or more years of direct experience in serving individuals with disabilities required.
3. Excellent written and oral communication skills with the ability to communicate key information clearly and in a timely manner.
4. Experience in serving people with developmental disabilities and knowledge of the Milwaukee County service system.
5. Excellent computer skills, including knowledge of Microsoft Office Suite and Google Suite.
6. A valid Wisconsin driver's license, vehicle and insurance.
7. State of Wisconsin caregiver background check required.
